HANDSOME ASPHALT ROOFING TO BE GUARANTEE FOR TEN YEARS

Battle Creek Firm is Introducing Beautiful New Roofs For Residences in Owosso. Is Fire Retarding.

Very pretty ornamental Asphalt Roofing is being introduced in Owosso by the Battle Creek Roofing & Mfg. Co., which is one of the largest and best equipped roofing concerns in the state. This firm has just applied the roof on the new Lincoln School building for the Arthur Ward Co., and have also applied roofs on the Owosso Floral Co. building, The Thomas Block, the Jackson Store, the Fletcher Store, and the Argus building.

The Ornamental Asphalt Roofing for residences which is being introduced at this time has the exact appearance of fancy tile shingles and comes in tile red or slate green. It is fire retarding and will not catch from sparks or fire brands, therefore reducing the insurance rates. It is said to have an average life of about twenty years, and the cost is less than that of wooden shingles.

This material is fast becoming very popular in cities where they do not permit the use of wooden shingles on account of the fire hazard, and also from the fact that it wears longer and costs less. It gives beautiful color to the roof and the color is permanent. The material is of an asphalt base, and one may judge its wearing quality when they consider that asphalt is used as paving material for streets, and is also being used now for making linoleums. No painting or recoating of any kind is required and the Battle Creek Roofing & Mfg. Co., who furnish and apply the material give a written guarantee of Watertight for the first ten years of service. Every roof they put on is examined each year and should repairs of any kind be necessary they are made without charge.

Mr. B. G. Goslin, the vice president of the company will be in Owosso this week and will make his headquarters at the office of the Arthur Ward Co., in care of Mark Woodbury. He will be glad to call and show the material and give estimates for roofing or for roof repairing of any kind. A phone call will reach him at above address or at the National Hotel.

Mrs. C. D. Bell will entertain at bridge this afternoon in honor of Miss Ethel Davies.

George Alexander of Detroit, spent part of the week with his parents, Mr. and Mrs. W. F. Alexander, Dimmick street.

Miss Ruth Sullivan, who recently returned from California with her mother, has entered the Owosso high school.

Mr. and Mrs. Fred Letts and Mr. and Mrs. E. J. Doerr of Pontiac, were guests of Mr. and Mrs. C. A. Lawrence the first of the week.

Mr. and Mrs. R. M. Ackerson and granddaughters of Frankfort, were guests of Mr. and Mrs. W. E. Jacobs of Cornuna, part of the week.

Rev. Herman McConnell of Leche, occupied the First Baptist church pulpit, Sunday. While in Owosso he was a guest of his cousin, C. W. Jennings.
